

Join me in praying for liberation from addiction

+ Cardinal Wilfried Napier OFM

Most merciful Father,
Give strength, we ask you,
to all your children who are
held bound by the chains of
addiction to drugs or alcohol.

Bless them with persever-
ance in their fight to be free.

May they reach out and
receive the help they need to
take the first steps towards
recovery. Give courage and
hope to their families, friends
and communities, and draw
them close together in the
power of your mercy and
love. May your Son, Jesus
Christ, who ministered to all
who came to him in need, as-
sist all who today accompany
and care for those who suffer
from addiction. Grant them
understanding, but above all,
love that endures
and transforms all things.
Through Christ our Lord.

AMEN
